

# Choir Recordings - Information Sheet

We bring a Professional Recording Studio to you for a day your choir will never forget!

## Why Choose 4 Part Music for your Choir Recording?

A recording is more than just a record of what happened. It is something which should be valued by the choir members who took part and give a true reflection of their high standards and the effort they put in, along with your music team.

When forming 4 Part Music, we never compromised in terms of the investment required to get the best results. As such you can be assured a recording by us will be of the highest quality and do justice to your musical talents.

## Our Recording Setup

We are not a one man band, and will set up a professional recording studio at a venue of your choice anywhere in the UK. This includes talk back systems and a separate production desk from where we can provide play back of the tracks after you record them. You can even have one of your choir members or committee act as a producer if you wish.

## How much does it cost?

The recording session is FREE\*. All you pay for are the CDs.

Current pricing is shown on our website and we will always confirm a price in writing along with your booking confirmation.

Unless otherwise stated our prices include:

- ★ Mobile Recording Services on location
- ★ Post Production and Preparation of CD Master
- ★ Travel to and from your venue for all our staff
- ★ CD Artwork Design
